"THE SNOW HAWK" ✓

(Stan Laurel)

✓ 2 Reels ✓

Stan Laurel is introduced to us in this picture as a young man who is afraid of his own shadow. And until his best girl tells him she will not have a coward, does he gather up courage enough to try to show her that he is a red-blooded man by joining the Northwest mount^{ed}. His rival, of course, is the captain of the trip. Stan's experiences and his lone capture of the most wanted bandit of the northwest, and the fact that he secures the large reward make things alright with the girl.
